### Self-Storage Finance Firm Talonvest Receives Corporate Award From Ronald McDonald House

April 27, 2015

Talonvest Capital Inc., a boutique real estate adviser serving the self-storage industry, has received the 2015 Top Corporate Fundraising Award from the Orange County, Calif., chapter of Ronald McDonald House. Talonvest works locally with the charity organization as well as Ronald McDonald Family Room in an effort to support families of seriously ill children, providing homes for families while children receive hospital treatment, according to a press release.

Talonvest was recognized during a recent Walk for Kids event, the charity's largest fundraiser. In addition to helping raise money through business partnerships and outreach, Talonvest has donated \$26,500 to the Orange County chapter during the last two years, company officials said. "I know first-hand what it's like to have a sick child. It can be devastating, and the Ronald McDonald House does an incredible job alleviating some of the pain," said Eric Snyder, principal for Talonvest. "We are glad to be part of such a meaningful community effort."

In addition to financial support, Talonvest employees participate each year in the Walk for Kids event and deliver meals to families staying in homes provided by the charity. The real estate adviser has sponsored one of 20 guest rooms through the charity's "Adopt a Room" partnership program for several years, according to the release. As part of the program, companies provide financial support to each family that sleeps in the "adopted" room during the year.

"Our company was founded on the belief that we have a responsibility to give back time and resources within our community," added Tom Sherlock, a Talonvest principal. "The Orange County Ronald McDonald House is a special place with an extraordinary staff, and helping out in our small way is an honor."

Ronald McDonald House Charities is a global network of 300 chapters in more than 60 countries and regions. The nonprofit creates, finds and supports programs that are designed to directly improve the health and well-being of children. The group's three core programs are the Ronald McDonald Care Mobile, the Ronald McDonald Family Room and the Ronald McDonald House.

Founded in 2010 and based in Orange County, Talonvest structures debt and equity for self-storage and commercial real estate investors and developers nationwide. The principals of the firm have more than 80 years of combined experience.
