

TALONVEST

lands bridge loan...

When CIP Real Estate wanted an advisor to provide a high level view of the lending market and a sharp eye to find the right capital provider for their refinance of Centerpointe, they called Talonvest.

105,295 SF OFFICE PORTFOLIO IRVINE, CA

\$13,500,000 Bridge Loan

- Loan funded within 5 weeks of signed application
- 3-year loan term with extension option
- Interest-only, non-recourse bridge loan

"We found Talonvest to be very professional. They took the time to understand our specific needs, tailored a capital strategy for those needs, anticipated issues and proactively addressed them throughout the entire loan process. We appreciated their principal's hands-on approach and how they leveraged their strong capital market relationships to meet our requirements and those of our partners."
