**Public Storage Chairman and CEO to Provide Industry Keynote
at the 14th Annual Self Storage Owners Summit**

Irvine, CA - February 20, 2018 - Talonvest Capital, along with the California Self Storage Association, are thrilled to announce that Ron Havner, Public Storage Chairman and CEO, will deliver the Industry Keynote presentation at the CSSA's 14th Annual Self Storage Owners Summit on July 19, 2018. Noted Green Street Advisors Analyst, Ryan Burke, will moderate this discussion with one of the storage industry's most prominent and respected leaders. Don't miss a potentially different perspective on the state of the storage sector after Mr. Havner spoke so enthusiastically at this same conference five years ago about industry fundamentals and exceptional property level cash flows at their properties.

Once again, Talonvest is proud to be the event partner with the CSSA at the Owners Summit, which was founded by Talonvest Principal, Jim Davies. The event will be held at the historic Balboa Bay Club resort in Newport Beach, CA.
