**Talonvest Capital Raises Over \$50,000 for Orange County Ronald McDonald House
at the First Ever “Virtual Walk for Kids”**

Irvine, CA – September 3, 2020 – Talonvest Capital, Inc., a boutique commercial and self storage real estate advisor, participated in the inaugural Virtual Walk for Kids and raised \$53,875 for the Orange County Ronald McDonald House despite the Covid-19 outbreak. As a result of the pandemic, Ronald McDonald House Charities had to quickly adjust the format of their annual fundraiser, Walk for Kids, to a 100% online experience which began on April 5th and extended through “the last lap” on June 30th. Through generous support from its clients, capital relationships, and others including 1784 Capital Holdings, Clark Investment Group, William Warren Group, SoCal Self Storage, Bixby Land Company, Newport National Corporation, CIP Real Estate, Simply Self Storage and Metro Self Storage, Talonvest’s ongoing efforts on behalf of the Orange County Ronald McDonald House and Ronald McDonald Family Rooms will support the organization’s mission to provide a “home away from home” for families of children receiving treatment in Orange County hospitals.

Last year, 840 families (2,741 guests) counted on Ronald McDonald House OC for a place to stay so they could be close to their critically ill or injured child at the hospital. The amount raised at the 2020 Virtual Walk for Kids will help cover the cost of the House operating at full capacity (20 rooms/80 guests) for 65 days. Talonvest was able to achieve the honor of Top Corporate Fundraising Team for the sixth consecutive year in 2020. Noel Burcelis, Executive Director of the OC Ronald McDonald House, shared “We are grateful for the enthusiasm displayed by the Talonvest team to participate in the Virtual Walk and their enduring effort to raise funds to help those in need during a time of such uncertainty.”
